Mike Martin

Vice President, Sales
mike.martin@bowne.com

For over twenty six years, Mike Martin has worked in the financial communications industry. The majority of that time he has been employed at Bowne in the Texas market.

Currently, Mr. Martin is a Vice President of Sales based in the Dallas, Texas office of Bowne & Co. Primarily he works with C suite executives of public companies on mergers, acquisitions and their SEC reporting requirements including the new XBRL reporting as well as companies going through the IPO process. He also pursues companies who are selling themselves or large parts of their company to set up web based secure electronic data rooms which house the pertinent due diligence documents to the asset sale. Document translation is another service offered by Bowne.
