

Legal Knowledge. Human Wisdom.

Gardere Wynne Sewell LLP is a founding underwriter of the Texas General Counsel Forum, serves as statewide and national General Counsel to the organization, and provides the Forum office space and technical support. Founded in Dallas in 1909 and with offices in Austin, Houston and Mexico City, Gardere provides comprehensive litigation and business solutions

ABOUT GARDERE for leading domestic and international companies, Fortune 500® corporations, and private businesses.

The firm's Mexico City office was established in 1992 and serves companies investing in and operating businesses on both sides of the U.S./Mexico border and throughout Latin America. We turn complex challenges into sustainable solutions for clients across a broad spectrum of industries and business sectors, including technology, financial services, energy, construction, legislative, manufacturing, real estate, private equity, hospitality and retail. Our clients are leaders in their respective fields, and Gardere, a 101-year old AmLaw 200 firm, delivers the legal counsel to keep them there.
