

Special Counsel is an In-Kind Underwriter and donates all of the temporary staffing support for the Forum each year.

Special Counsel is the largest provider of legal staffing services to corporate legal departments and law firms nationwide, including 99 of the 100 largest law firms in the United States. On any given day, more than 850 attorneys and 450 paralegals are working for Special Counsel. Services include customized staffing and project management for e-discovery and document review projects of any size and location, as well as providing experienced legal professionals for general workload management, litigation support, and business transaction support. Specialized services include permanent placement of legal professionals at all levels, medical document review, Concise® deposition digesting, and court reporting services through Alderson Reporting. We offer our clients everything from temporary assistance to long-term business solutions.
