

2021 Forum Membership

The Texas General Counsel Forum's mission is to be the leading boutique organization for networking, exchanging best practices, and sharing legal thought leadership.

Founded in 1998, Texas General Counsel Forum brings together in-house leaders from across the state. Unlike similar organizations, only general counsel and senior managing counsel with significant leadership and management responsibilities in a corporation, non-profit organization or government agency are eligible for membership. The Forum is a boutique organization of in-house leaders who share legal best practices in a networking community. Our goal is to build relationships and provide knowledge through strategic programming and networking hosted statewide, virtually, and in our chapter cities of Austin-San Antonio, Dallas-Fort Worth, and Houston. Our members are leaders in their industries who value the power of collaboration. The Forum provides the diverse resources necessary for our members to excel at in-house innovation and leadership.

MEMBER BENEFITS

BEST PRACTICES

- **Statewide Virtual CLE Programs** – In consultation with our Virtual Programming Committee, Forum Gold Underwriters host weekly Virtual CLE Programs on current topics relevant to our members who receive CLE credits while staying connected to our legal community. Members have access to our private library of all recorded CLE programs and materials through our password protected web page to view for CLE credit at their convenience.
- **Chapter Quarterly Program Events** – In a typical year, four Quarterly Program Events are held in-person in each chapter city. These Quarterly Programs address crucial best practice issues and offer insight into current topics facing the in-house legal community.
- **Annual Conference** – Our two-day Annual Conference, typically held in Austin or San Antonio in November, is designed to encourage conversation and inspire professional advancement through a series of short, dynamic presentations from industry leaders and networking events. Each year, the topic of the Conference centers around leadership with over 250 members in attendance. The Annual Conference fee is included in the yearly membership dues.

NETWORKING

- **GC Round Table Luncheons** – Typically, three GC Round Table Luncheons are held in-person in our Dallas-Fort Worth and Houston chapter cities where members engage in advanced dialogue with each other on current legal topics in an informal social setting.
- **After Hour Social Events** – Throughout the year, the Forum hosts sponsored virtual statewide and in-person chapter social events for our members. These events are private networking get-togethers with 20-40 in attendance and are held via Zoom, at restaurants, bars/lounges, private homes, or other venues in Austin, San Antonio, Dallas, Fort Worth, and Houston.
- **Forum Women Events** – In efforts to empower the women in our legal community, the Forum hosts sponsored virtual statewide and in-person chapter events for our women members. These events aim to cultivate lasting relationships as well as develop and empower female leadership.

LEADERSHIP

- **Leadership Recognition** – Each year, the Forum recognizes and celebrates outstanding leaders in our in-house community with two award dinners. During our Annual Conference, up to 10 Magna Stella awards are given in various categories to recognize excellence and celebrate the success of in-house leadership throughout Texas. In addition, the Dallas Fort Worth Chapter annually presents the Dedman Award to a General Counsel with demonstrated commitment to business ethics, communication and management practices.
- **Member Directory** – Members have access to a digital membership directory to help maintain and develop connections with fellow in-house leadership representing more than half of the Fortune 500 companies headquartered in the state as well as prominent companies in each chapter city. This benefit is especially valuable when in-person programming is limited.
- **Leadership Institute** – Annually, members can participate in our six-day Leadership Institute designed by general counsel. The Institute provides attendees with a unique leadership and financial management program presented in association with the SMU Cox School of Business. The Institute is discounted for Forum members.
